665,669,674,684 | Vocational rehabilitation - 617,
621,622,623,626,633,636,648,
658,661,679,680,683 |
| Negro cripples - 650 | |
| Nursing - 674,699 | |

* * * * *

Any publication or article listed in this bulletin may be borrowed free of charge from the Bureau of Information of the National Society for Crippled Children. Bibliographies listing similar articles, or loan package libraries containing additional literature on any of the subjects discussed in these articles, will be sent to any interested person upon request.

Articles appearing in the bimonthly magazine, THE CRIPPLED CHILD, or in the bimonthly news letter of the Society, THE CRIPPLED CHILD BULLETIN, are not listed in this bulletin.

A list of periodicals in which articles listed in this issue originally appeared, together with their addresses and prices, is given on page 7.

Bulletin on Current Literature

Prepared by Lillian Dowdell, Librarian

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education or vocational rehabilitation of cripples, and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available also to other individuals and agencies who pay 50¢ a year to cover actual costs of materials and postage.

610. Annual Report - The Industrial School for Crippled and Deformed Children - 50th Anniversary, 1894-1944. The school, 241 St. Botolph St., Boston, Mass. 27 pp.
611. Annual Report - The National Society for Crippled Children of the U.S.A., Inc., 1944. The society, Elyria, Ohio. 15 pp. Free.
612. Annual Report - Victorian Society for Crippled Children, for the year to 30th June, 1944. The society, 47 Queen St., Melbourne, C.I, Australia. 11 pp.
613. Baker, Harry J. Administration of Special Education. Review of Educational Research, June, 1944. 14:3:209-216.

Review of the literature published since June, 1941.

614. Banta, K. Vernon. The Technique in Action. Manpower Review, Nov., 1944. 11:11:3-5.

The Principal Employment Specialist (Physically Handicapped), War Manpower Commission, explains the physical demands analysis method of placing handicapped.

615. Behrens, Capt. Charles F., (MC), U.S.N. Activities of the Subcommittee on Rehabilitation of the Baruch Committee /On Physical Medicine/. Archives of Physical Therapy, Oct., 1944. 25:10:581-586.
616. Berkhouse, Rudolph G. Fitting Jobs to Men. Manpower Review, Nov., 1944. 11:11:6-7, 20.

Explanation of selective placement by Physical Demands Analysis of jobs and Physical Capacities Appraisal of applicants. Includes samples of physical demands comparisons of military and civilian occupations.

617. Black, Wallace D. The Vocational Rehabilitation Services of the New Hampshire State Board of Vocational Education. New Hampshire Health News, Nov., 1944. 22:11:201-203.
618. Boland, Major Edward W.; Headley, Capt. Nathan E.; and Hensch, Lieut. Col. Philip S. The Effect of Penicillin on Rheumatoid Arthritis. The Journal of the American Medical Association, Nov. 25, 1944. 126:13:820-823.
619. Building Airplanes in a Hospital. Nation's Business, Sept., 1944. 32:9:50.

"Northrop Aircraft Company of Hawthorne, Calif., has installed a full-scale, fully equipped aircraft production department in the Army's Birmingham Hospital at Van Nuys, Calif. From the viewpoint of the Medical Corps, the Northrop experiment is a venture in new techniques in physical therapy. In this department the aircraft plant expects to determine how best to adapt various jobs to the permanently disabled..." [See also article No. 656.]

620. Clore, Gerald L. Not Charity - But a Chance. The Kiwanis Magazine, Nov., 1944. 29:11:8, 30-31.

Goodwill Industries in 90 U. S. and Canadian cities provide employment for the physically and socially handicapped in sheltered workshops, where they remake discarded merchandise for sale. "Five million purchases in 300 local Goodwill stores averaged a dollar each, thus creating \$4,200,000 in wages for the 25,000 workers who had restored the goods to usefulness."

621. Copp, Tracy. New Concepts of Disablement and Rehabilitation. The Social Service Review, Sept., 1944. 18:3:318-324.

By the Assistant Director of the U. S. Office of Vocational Rehabilitation.

622. Copp, Tracy. Rehabilitation of the Handicapped. Manpower Review, Nov., 1944. 11:11:8-10.
623. Copp, Tracy. The Vocational Rehabilitation Program From a Regional and State Viewpoint. The Physiotherapy Review, Nov.-Dec., 1944. 24:6:242-244.
